Re: **Speeding in the Yard**

The Maximum Speed Limit on Twin Rivers Property is 20 KM/H.

In the last couple of weeks, we have noticed that not everyone is respecting the 20 KM/H speed limit that is in place for Twin Rivers property.

For the health & safety of everyone, we ask that everyone always follow this guideline.

This guideline is in place for your safety and by everyone adhering to this regulation, it will help prevent accidents or incidents.

We thank everyone for your cooperation regarding this matter.

Sincerely,

Marc Perreault
Human Resource
